Singular™
from Ideal Standard

RimLS+®

**Engineered
for hygiene.**

With every flush, RimLS+® delivers a powerful whole-bowl clean with no place for bacteria to hide. Splashfree and easier to clean, RimLS+® is the go-to solution for busy bathrooms.

Ideal Standard

ProSys®

**Engineered
for your peace
of mind.**

The ProSys® installation system provides complete pre-wall solutions for all washroom fixtures: toilets, bidets and basins. With different products for solid and dry wall applications, ProSys® is ideal for a wide variety of projects. The versatile range combines seamlessly with Ideal Standard's range of ceramics and fittings to ensure optimal performance. With end-to-end quality control and exceeding testing standards, the ProSys® system provides complete peace of mind.

Partners for life

An Evolving Family

We are one of the largest bathroom manufacturers in Europe. And when it comes to craft and materials, we only accept the best.

Our ceramics factories can be found in the Czech Republic, Bulgaria and the UK – every unique piece of porcelain made to the highest standards using vitreous china and fine fire clay. Our mixers, taps and showers are engineered in Germany, where an unrivalled level of excellence has been passed down from generation to generation.

We share this commitment to quality with our installers. Working closely to ensure our products are easy to fit, easy to maintain and built to last.

i.life B

Where life just flows

i.life B has a contemporary minimalism which is softened by gentle curves and flowing lines.

This design aesthetic is reflected throughout a basin range with solutions to suit every shape and size of space, whether it's a family bathroom or a compact cloakroom. Choices span from the larger 80cm basin to the 35cm handrinse basin, with semi-countertop, vanity and corner versions also available.

This is where busy days begin and end. A place to look ahead to experiences yet to come and think back to good times with family and friends.

-  CARBON GREY MATT — NV
-  NATURAL OAK — NX
-  COFFEE OAK — NW

Handle options

-  BRUSHED CHROME — YE
-  SILK BLACK — XG

i.life B is an opportunity for expression. A chance to create a home that speaks of you; your personality articulated in design. This furniture collection is available in seven finishes to suit tastes whether understated or bold and everything in between.

Vanity units are available in a choice of heights, with one and two-drawer options, all with soft closing to give a feel of quiet luxury. This is the archetype of light design, where simplicity meets creativity and the results are elegant and effortless.

FURNITURE

Clean geometric looks and pure shapes enable Ideal Standard to create a contemporary space that embraces style and strength in equal measure.

The *i.life B* range brings together performance and design with a clean and elegant look in pure white and chrome. Basins are available in a variety of styles and sizes which match perfectly to your needs, combined with a full pedestal, semi-pedestal and chrome bottle trap.

The classic *Ceraplan* brassware collection complements the ceramics with a modern, slim design that echoes *i.life B*'s accessible aesthetic and offers German engineering for long-lasting function without fail. This is where design meets performance and all things are considered.

RimLS+®

**Engineered
for hygiene.**

With every flush, RimLS+ delivers a powerful whole-bowl clean with no place for bacteria to hide. Splash-free and easier to clean, RimLS+ is the go-to solution for busy bathrooms.

88% of households would buy an Ideal Standard Rimless+ toilet. A toilet with excellent hygiene performance.*

*Result of a user survey commissioned by Ideal Standard and conducted by the institutes TCV-/isi-GmbH (n = 1,000 households with residential property – Germany n=500; Italy n=500), based on the outcome of external tests conducted by X-Tech srl for Ideal Standard measuring hygienic parameters of the toilet flush (unwashed toilet area, number of water splashes). Scientific Supervision of User Survey: Prof. Dr. Andreas Scharf, University of Applied Sciences Nordhausen

i.life S

Clever design that maximises space

The best design is all about creating products which are quietly brilliant, where quality whispers because it doesn't need to shout.

i.life S is a space saving solution that enhances your home without sacrificing performance or compromising on aesthetics. This is the embodiment of Ideal Standard's ethos of simply making modern living better, with short projection products to work in less spacious environments.

It brings a sleek and contemporary minimalism to any bathroom with a quality of manufacture that means you can leave it to do its job while you're busy doing yours.

SOFT CLOSING
FURNITURE

Why should smaller rooms miss out on stylish solutions? *i.life S* enhances compact bathrooms with intelligent touches that simply work.

Reduced projection basins feature clever design to perform perfectly while saving space and staying true to *i.life's* design principles. These are available in basins from 50cm to 60cm and vanity basins from 50cm to 80cm as well as the 45cm handrinse basin and 50cm semi-countertop.

For the ideal finishing touch, match with *Ceraplan* brassware, featuring geometric stylings which complement the flowing rectangular design of *i.life S*.

Compact spaces do not have to mean zero storage or surfaces full of clutter. Ideal Standard creates bathrooms that are clean and unfussy, with solutions to simply make life better.

i.life S offers vanity and column units with capacity that belies their size; room for stowing everyday essentials and candles to complement your evening soak. All *i.life* furniture comes in a choice of seven stylish finishes, including Sand Beige Matt, Carbon Grey Matt and Natural Oak, as well as handles in chrome and Silk Black. Doors and drawers feature soft close action for a subtle touch that adds a feeling of quiet luxury to your home.

Thanks to Ideal Standard's commitment to sustainability, 99% of the timber in our furniture comes from sustainable sources and is FSC and PEFC approved.

A space that’s easier,
cleaner, calmer.

This is minimalist design without compromise. An effortless and uncomplicated aesthetic combined with superior performance and durability. *i.life S* is aspirational but not ostentatious.

It creates a home which looks ahead with positivity and purpose, reflecting your style without dominating it. Toilets and bidets in this collection are available as wall hung and back to wall, as well as a close coupled toilet option.

Cisterns come as standard size and also a water-saving compact design, each with dual flush, and there are four seats to choose from, including sandwich and wrapover versions. These are ceramics to complement your style and last long into the future you are building for yourself.

Home is the place where a thousand adventures start; a sanctuary for relaxing at the end of a busy day. This is where friends come over and family stay. Home is the expression of your personality and your bathroom is at the centre of it all. *i.life A* allows you to create a place that articulates your character through the choices you make.

Designed for modern living, this is a collection which fuses a contemporary, minimal aesthetic with curved, flowing lines. *i.life A* is practical yet beautiful, authentic and aspirational.

Furniture options

-  MATT WHITE — DU
-  SAND BEIGE MATT — NF
-  GREIGE MATT — NH
-  QUARTZ GREY MATT — NG
-  CARBON GREY MATT — NV
-  NATURAL OAK — NX
-  COFFEE OAK — NW

Handle options

-  BRUSHED CHROME — YE
-  SILK BLACK — XG

i.life A brings simplicity and style to your home, combining a sleek aesthetic with luxury touches that just make life better. This vanity basin and unit combination is elegant in design, with pure white ceramics creating flowing lines offset by the modern chrome finish of the *Ceraplan* brassware.

Pictured above in Sand Beige Matt, this two drawer unit is also available in Matt White, Matt Grey, Quartz Grey, Carbon Grey Matt, Natural Oak and Coffee Oak. With a choice of Brushed Chrome and Black Matt handles too, *i.life A* allows you to shape your bathroom in a way that expresses who you are.

FURNITURE

i.life A allows you to create your world without harming the planet. Ideal Standard is fully committed to reducing our impact on the environment by cutting our carbon emissions, using recycled materials in manufacturing and recycling as much waste as possible.

We also insist that our furniture is built with timber from sustainable sources and currently 99% is FSC and PEFC approved, though we won't stop until this is 100%.

Where it all comes together.

LIGHT DESIGN CREATES
A FEELING OF SPACE;
A CALM HAVEN
WHERE LIFE JUST FLOWS.

INTELLIGENT TOUCHES MAKE THE MOST OF SPACE, LIKE THIS CORNER BASIN WHICH IS PERFECT FOR CLOAKROOMS AND SMALLER BATHROOMS.

Clean and uncomplicated, *i.life A* is the epitome of Ideal Standard's enduring design ethos.

Soft round edges and pure white ceramic combine with the chrome finish of *Ceraplan* brassware for a minimalist contemporary aesthetic. Manufactured using superior materials, with unrivalled expertise and care, these are beautiful products that will stand the test of time.

Concept Freedom

Inclusively designed bathrooms can be beautiful. Award-winning designer Robin Levien worked with occupational therapists to develop solutions that are both accommodating and aesthetically pleasing.

Concept Freedom is a range of accessible ceramics, baths and showers. Thoughtful design for an independent lifestyle.

60CM BASIN DESIGNED FOR A WHEELCHAIR USER
TO GET AS CLOSE AS POSSIBLE

THE BASIN CAN BE HUNG LOWER AND AT THE CORRECT
HEIGHT FOR THE INDIVIDUAL USER

ELONGATED WALL HUNG WC BOWL WITH A 75CM
PROJECTION FOR EASY WHEELCHAIR TRANSFER

A LOWERED BATH HEIGHT OF 460MM FOR EASIER ACCESS

THE BATH HAS AN EXTRA-WIDE LEDGE IS REINFORCED
TO PROVIDE A HAND-HOLD TO AID STANDING AND
A SEATING AREA FOR A USER OR CARER

Concept Freedom
M1 rain shower, fixed riser
and M3 handspray

Step-free showering

A wetroom is the ultimate in luxury but a few additions make it more accessible. The chrome grab rails and shower seat have been elegantly designed to blend in and the Freedom Dual shower valve has pin handles to make the controls easier to turn.

Concept Freedom

Singular™
from Ideal Standard

Safer bathing - For the bath project, we combined our many years' experience with the knowledge of later-life health specialists Red & Yellow and experienced occupational therapist Anava Baruch to ensure it was designed with independence and safety in mind.

'Getting in and out of the bath is often the first thing that people start to struggle with as they become less mobile. The design of the bath makes bathing a much less fraught and dangerous experience, whilst looking great too.' Anava Baruch, Occupational Therapist

Accessible Design
Design Solutions
for the less abled

Freedom bath features

Winner of innovation of the year in KBB's Retail Design Awards 2017

A lowered bath height of 460mm for easier access

A foot rest provides a step for easier entry and exit. It also aids standing by providing something stable to push against

The polyurethane gel headrest has 'shape memory' which responds to the arc of the neck and distributes pressure to provide firm, comfortable support

An extra-wide ledge is reinforced to provide a hand-hold to aid standing and a seating area for a user or carer

The bath is made in Idealform Plus+, our strongest material, for complete stability

Wheelchair accessible features

60cm basin designed for a wheelchair user to get as close as possible

The basin can be hung lower and at the correct height for the individual user

Elongated wall hung WC bowl with a 75cm projection for easy wheelchair transfer

Choice of standard, slow close or ring WC seat

Aquablade®

Engineered for hygiene.

Silent, superior, splash-free flushing, even at low water volumes.
For spaces where hygiene is paramount, and for washrooms where first impressions are essential, AquaBlade® is the ultimate design solution.

●
CLEANER
AquaBlade® Technology ensures 95% of the surface is cleaned every time.

●
QUIETER
AquaBlade® is proven to be up to 25% quieter than equivalent models.

●

Tempo
Vanity basin unit

Busy bathrooms need storage for life's essentials and *Tempo* furniture makes the most of the space beneath a basin.

Tempo vanity basins seamlessly integrate with a choice of freestanding and wall hung vanity units. The soft edges of the basin extend beyond the width and length of the furniture to create a spacious surface for products and pampering. Legs are available for wall hung versions where additional support is needed.

Mixers & Taps.

Transform your bathroom

The right mixers and taps can transform a bathroom. That's why our fittings for basins, baths and showers have been designed to make a statement. But they don't just look beautiful. They work beautifully too. Durable. Constructed from the finest materials. And offering unparalleled levels of comfort and control. They feel every bit as good as they look.

FirmaFlow®

**Engineered
to last.**

500,000+
use cycles, twice that
of the industry form

95°
heat resistant

10-15 years
of daily use

We pioneered the ceramic disc cartridge in 1969. This innovation redefined the way people used bathrooms and made it possible to create the single lever tap.

As the ultimate development of the original ceramic disc cartridge, some 50 years on, FirmaFlow® is the undisputed market leader. With its innovative engineering and extraordinary powers of durability, comfort and control are achieved for twice as long as the industry standard.

Ceraplan

Ceraplan mixers are more modern, slimmer, simpler, and smoother than ever. We've redesigned a classic piece, updating it to help you face the challenges of modern living, achieving a beautiful balance of style and technology.

FIRMAFLOW® CERAMIC CARTRIDGES WITH A LIFESPAN OF 500,000 CYCLES

SUITABLE FOR LOW AND HIGH PRESSURE SYSTEMS

FLOW STRAIGHTENERS SUPPLIED TO MAXIMISE FLOW RATE

TEMPERATURE LIMIT STOPS CAN BE PRE-SET FOR COMFORT AND SAFETY

PRE-FITTED 5-LITRES PER MINUTE ECO FLOW REGULATORS TO SAVE WATER

EASYFIX FOR HASSLE FREE INSTALLATION AND REDUCED RISK OF LEAKAGE AND LIMESCALE

FLEXIBLE TAILS TO SIMPLIFY AND SPEED-UP INSTALLATION

5 YEAR GUARANTEE

Ceraplan ▶
Kitchen sink mixer
with high cast spout

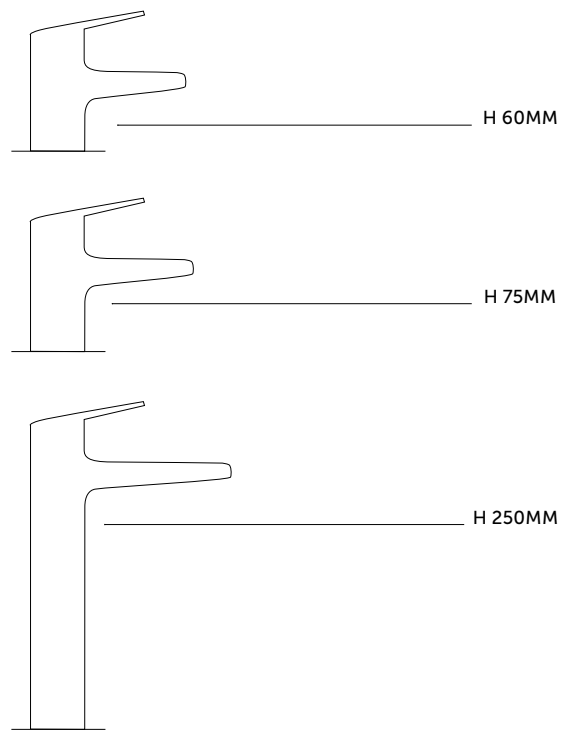

The re-design of a legend.

Re-designed for the modern world, Ideal Standard's *Ceraplan* is now slimmer, simpler and smoother than ever. This is the evolution of a classic piece, updated to help you face the challenges of modern living, achieving a beautiful balance of style and technology.

Ceraplan is the perfect companion for *i.life*, with options to suit basins, baths and showers of all shapes and sizes.

Ceraplan is now more comfortable and ergonomic thanks to adjustments to the spout length and handle height, and easier to clean due to its smoother exterior.

Softened lines on the outside, solid German engineering on the inside – the *Ceraplan* brassware range is the centrepiece of your bathroom, 20 years in the making.

This is the brassware range for every need. *Ceraplan* has been designed to suit a wide variety of basin, bath and shower types. This includes standard, vessel, high spout, bidet and wall and rim mounted variations, all drawing from *Ceraplan's* softened geometric design fundamentals.

Ceraplan.

A mixer for every situation

More modern, slimmer, simpler, and smoother than ever, we've redesigned a classic piece, updating it to help you face the challenges of modern living, achieving a beautiful balance of style and technology. With the option of a Silk Black finish, you don't need to compromise on aesthetics.

Experience the subtle, harmonious control of Ceraplan. Softened lines on the outside, solid German engineering on the inside – the Ceraplan brassware range is the centrepiece of your bathroom, 20 years in the making.

IDEALCOMFORT
Ceraplan comes in a variety of what we call comfort height. It means Ceraplan adapts to the usage you will do of the tap and will make your every day more comfortable. Height options from 60mm to 250mm.

EASYFIX+
EasyFix+ system makes fitting quicker and easier than ever. It's up to 50% faster than standard fitting, and 15% faster than our original EasyFix system.

LIGHTMOVE
Enjoy a great experience thanks to the light smooth cartridge which ensure that the water flow is just right for you.

SMARTSHINE
Ceraplan is now easier to clean, thanks to the smooth lines and absence of recesses, and features SmartShine finish – making fittings feel as though they've always been part of the space, but look brand new.

"WE'VE REDESIGNED AND IMPROVED ON OUR CLASSIC, ACHIEVING A BEAUTIFUL BALANCE OF TECHNOLOGY AND STYLE."

Which shower enclosure?

Ideal Standard understand what it takes to make the perfect shower environment. The main considerations for planning are access, space and position. From ingenious door mechanisms that work in the smallest ensuite to spacious enclosures for family bathrooms, we have a solution for every conceivable scenario.

Expert engineering means our i.life and Connect 2 shower enclosures and bath screens are full of clever features which make them not just a pleasure to use but easy to install, clean and maintain.

- CONCEALED FIXINGS**
THE COVER PROFILES OF I.LIFE AND COVER CAPS OF CONNECT 2 CLICK EASILY INTO PLACE DURING INSTALLATION AND COMBINE WITH TOP CAPS TO CONCEAL ALL FIXINGS.
- SMOOTH RUNNING WHEELS**
QUALITY COMPONENTS ENSURE DOORS GLIDE ALONG EFFORTLESSLY AND SILENTLY.
- HORIZONTAL ADJUSTMENT**
ALLOWS PERFECT FITTING TO OUT-OF-TRUE WALLS.
- POWER SHOWER PROOF**
ENCLOSURES HAVE BEEN TESTED TO ENSURE THAT EVEN WITH THE MOST INVIGORATING OF SHOWERS THE SEALS REMAIN WATERTIGHT.

10 YEAR
GUARANTEE

GUARANTEE
Enclosures, wetroom panels and baths screens have a 10 year guarantee

8mm
GLASS

GLASS THICKNESS
8mm toughened safety glass.

IDEALCLEAN
Reduces cleaning time by up to 90%. A special coating makes glass easier to clean and it stays cleaner for longer.

CLICK & CLEAN
Lower wheels and panels can be released for cleaning. The panel clicks back into position for a watertight seal.

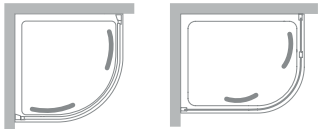

25mm

HORIZONTAL ADJUSTMENT
Profile can be adjusted to allow for untrue walls.

Corner Installations

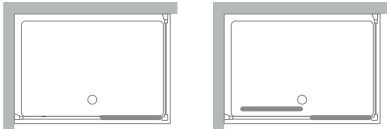

QUADRANT/OFFSET QUADRANT

These curved enclosures suit almost any bathroom design, creating an open environment, even in restricted spaces.

SLIDING DOOR WITH SIDE PANEL

Sliding doors offer maximum access where there is limited space to open a door. They can also work well in larger spaces to create luxurious showering areas.

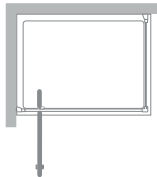

CORNER ENTRY

When space is limited on either side of a shower enclosure a corner entry with sliding doors offers an effective solution.

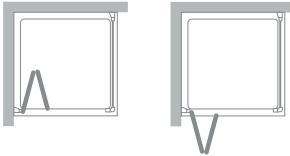

PIVOT DOOR WITH SIDE PANEL

These doors swing open to offer wide access, which when combined with a side panel creates a light and airy showering area.

INFOLD/BIFOLD DOOR WITH SIDE PANEL

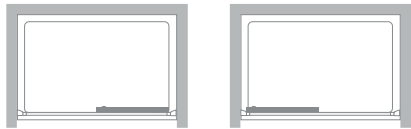

When there isn't room to open a door an infold door is a good solution. It offers wide access in tight spaces.

Alcove Installations

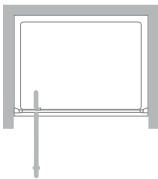

SLIDING DOOR

Sliding doors are a practical solution for alcoves, especially larger spaces. The door glides on smooth running wheels for access.

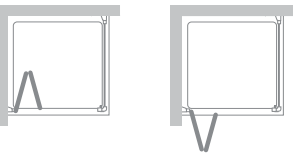

PIVOT DOOR

These doors work well in alcoves allowing the maximum showering area combined with the maximum access.

INFOLD/BIFOLD DOOR

The infold/bifold door is a great option for smaller spaces. It folds inwards to provide full access.

WASTE COVER
INCLUDED

STONE RESIN WITH GEL
COAT MATERIAL

ANTISLIP EN 16165
(CLASS C)

At just 30mm high, Ultra Flat S i.life shower trays are as contemporary as they are practical.

Complete with a robust gel coat finish, the stone resin trays boast a quality textured stone characteristic on the surface but also important anti-slip properties, with a Class C anti-slip rating EN16165.

Available in four contemporary matt stone finishes, the comprehensive model range has 27 sizes across square and rectangular shapes.

They can be installed either on the floor, or flush with the floor creating a seamless, luxury feel for a level access installation. They can also be ‘installer cut’ on site if the installation requires it.

They come complete with a colour matched waste cover.

- CONCRETE GREY — FS
- SAND — FT
- JET BLACK — FV

Simplicity Shower trays

Simplicity shower trays complement our enclosures. These slim, low profile trays are strong and durable with a clean contemporary design which makes them suitable for a wide range of installations.

SHOWER TRAY SHAPES

There is a wide range of shapes and sizes available for every type of installation.

UPSTANDS

Upstand trays feature a water retaining lip around the edge that is tiled into the wall to minimise water leaks (see right).

The shower is installed against the finished wall with plaster board on top of the upstand. The tray is then tiled into the wall by tiling over the upstand onto the tray.

Where an upstand is not required around the whole tray a roll of flexible adhesive upstand is available to purchase which can be cut to size as required.

Which shower mixer?

An installer will help you identify the perfect combination of mixer and shower kit for your hot water system. This page helps to identifies some of the main features to help you compare products.

Thermostatic
This is the safest type of shower. Thermostatic valves maintain a constant temperature irrespective of hot or cold water flow, rate, pressure or temperature. There is no need to continually adjust the temperature setting during showering. For the increased safety of vulnerable users many thermostatic valves feature a temperature safety stop of 40°C or a temperature limit stop which can be set to 40, 43, 45 or 50°C

Manual
This type of shower relies on the temperature of the hot water system. It does not compensate for variations in hot and cold water flow rate, pressure or temperature. It includes a temperature limit stop with 7 settings to reduce the amount of hot water that enters the mixer.

Water pressure
Many users prefer the indulgent force of a shower fed by a high pressure, mains water system. An installer will help you identify your water pressure which is measured in bar*, however this is a simple guide to the different heating systems:

Mains water
Combination boilers: between 1 & 5 bar.
Vented systems: between 1 & 5 bar.
Pumped gravity fed: between 1 & 3 bar.

Gravity fed
Water is stored in a cold water tank in the loft: 0.1 bar.

* 1 bar is equivalent to 10 metres in height between the bottom of a cold water tank and the top of the shower head.

Freedom Easybox Slim
Built-in shower valve with lever handles for improved accessibility, shown with Idealrain M3 shower kit

Concept *Easybox Slim*

Ultra slim German engineered shower mixers; superior water tightness and flow performance that are simple to install, by design.

This thermostatic built-in shower mixer is available in a choice of round or square faceplate. The Concept Freedom version features lever handles to make showering easier for those who find turning controls difficult.

Round

Square

Ultra slim sealing box

The plastic sealing box fits into a 43mm cavity. The minimum built-in depth of 58mm is accommodated within the cavity, plasterboard, tiling and adhesive.

The plastic sealing box gives increased strength and durability with double sealing to reduce risk of leakage. The front is sealed with a plastic lid which has tapered seals to the main box and around the two handles. The outer chromed faceplate is not sealed and can easily be removed for cleaning.

Faceplate

Superior chromed metal faceplate with separate flow and temperature controls, including 40°C indicator for safe showering.

Thermostatic cartridge

Proven thermostatic cartridge and flow control to ensure trouble free operation.

Thread inlet

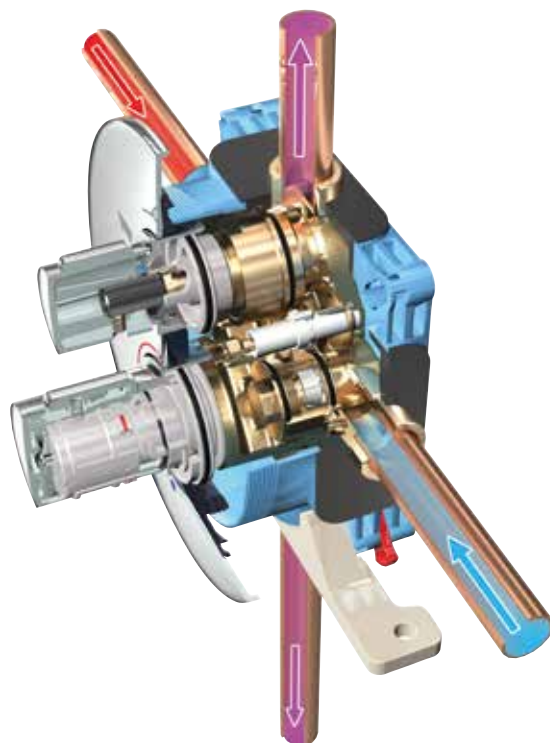

Rotating threaded inlet connection for easier connection.

Versatile Mounting bracket

The supplied bracket can be fitted to any of the four sides and fixed onto a cross bearer or upright in the cavity wall.

Watertight

Watertight, solid brass body construction for durability.

DESIGNED FOR EASY INSTALLATION, SEE PAGE 198

THE BATH SHOWER MIXER INCLUDES A DIVERTER WITHIN THE FLOW CONTROL. TURN CLOCKWISE FOR SHOWER FLOW, ANTI-CLOCKWISE TO FILL THE BATH (USE WITH IDEALFILL, PAGE 226)

SHOWER PACKS INCLUDE AN M3 IDEALRAIN SHOWER KIT WITH A ROUND OR SQUARE HANDSPRAY TO MATCH THE FACEPLATE

THE HANDSPRAY FEATURES 3 SPRAY MODES: RAIN, FINE RAIN AND MASSAGE. IT INCLUDES A REMOVABLE 8 LITRES PER MINUTE ECO FLOW REGULATOR TO SAVE WATER

THERMOSTATIC MIXER, FACEPLATE AND HANDLES ARE SUPPLIED IN ONE BOX, AS ARE THE SHOWER PACKS

DESIGNED TO BE INSTALLED ON LOW PRESSURE GRAVITY HOT WATER SYSTEMS (MINIMUM 0.1 BAR)* AND ALL TYPES OF HIGH PRESSURE SYSTEMS**

WINNER OF THE BEST KITCHENS & BATHROOMS PRODUCT CATEGORY AT THE HOUSEBUILDER PRODUCT AWARDS 2013

* MINIMUM PRESSURE FOR SATISFACTORY BATH FILL IS 1 BAR

** MAXIMUM 5 BAR DYNAMIC

Concept Easybox Slim
Shower pack - Built-in thermostatic shower mixer with round faceplate and Idealrain M3 shower kit

Concept *Easybox Slim*

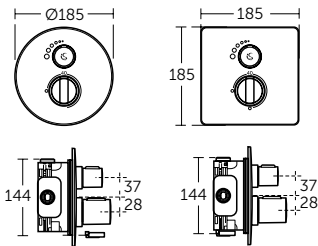

- STEP-BY-STEP EASY INSTALLATION**
- 1 FIX THE MIXER BODY INTO POSITION.

ProSys installation systems

There's more to great bathroom design than meets the eye. What goes on behind the wall can be as important as what goes on in front of the wall. The *Ideal Standard Prosys* range of installation systems and flushplates work seamlessly with our range of ceramics and fittings ensuring every layer works together.

Prosys ensures that you can configure our products not just to create a beautiful design, but one that is easy to install, hygienic and sustainable too. A bathroom that works on every level.

- FULL HEIGHT AND SHORT HEIGHT WC FRAMES FOR WALL MOUNTED BOWLS
- QUALITY CONCEALED CISTERNS WITH SERVICE TUNNEL FOR USE WITH BACK-TO-WALL BOWLS
- PNEUMATIC, MECHANICAL AND ELECTRONIC ACTUATION OPTIONS
- SPECIAL SMARTVALVE INLET VALVE TO HELP REDUCE WATER CONSUMPTION
- COMPREHENSIVE RANGE OF CONTEMPORARY DUAL FLUSHPLATES IN FOUR FINISHES
- LUXURY ELECTRONIC PLATES IN CERAMIC AND GLASS OPTIONS
- COMPLIANT WITH ALL LATEST UK WATER REGULATIONS
- EASY, QUICK INSTALLATION AND EFFORTLESS TOOL FREE MAINTENANCE
- WASHBASIN FRAME OPTIONS FOR DECK MOUNTED OR BUILT IN INSTALLATION

Guarantee

Ideal Standard have been producing bathrooms for more than 100 years. Intensive and continuous testing is the key to class-leading durability. Designed to endure the impact of daily use all of our products are guaranteed to perform stylishly and reliably, year after year.

Our confidence in the quality and reliability of Ideal Standard products enables us to guarantee many of them for a lifetime. Our guarantee is offered on all products that have been used in the manner for which they were intended and does not apply to any products that have been misused or abused in any way. Products must be installed and cared for in line with our fixing instructions and local water by-laws. In the unlikely event the product fails within the guarantee period, we offer a free replacement or replacement part (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss or damage on installation.

For full conditions, please refer to our website:
www.idealspec.co.uk/support/guarantee.html

Ideal Standard pursue a policy of continuing improvement in design and performance of our products. The right is therefore reserved to vary specifications without notice. While great care has been taken to ensure accuracy of all prices, product codes, descriptions and dimensions, Ideal Standard reserves the right to correct errors or misprints. Colour reproduction is as accurate as possible within the limitations of the printing process.
